

Camp Rules and Precautions

Name of athlete - _____ Week Attending Camp (circle) – 1 or 2

Dear Parent - Due to our interest making your son's or daughter's experience at running camp both as safe and as enjoyable as possible, we would like to present you with the following list of safety precautions and rules. We ask you to review these with your child and make certain that they understand the rules and intend to abide by them. The camp staff will again review these policies at the beginning of their week at camp. It is important for you to also sign the release form at the bottom of this sheet. We cannot admit a runner to the camp without having this signed release form, a copy of the school physical form and full fee payment, so please be sure they bring these to camp registration or mail them to us ahead of time.

I. Running Rules and Precautions

- a. When running on roads, runners must run on the far left side of the road in either single (or double file when conditions permit). There are hills and bends on the camp roads that prevent traffic from seeing you. It is **your** responsibility to be off to the side of the road.
- b. Always look in all directions prior to crossing the road.
- c. Know the course that you are running prior to leaving to avoid running 10 miles when you were intended to go 5 miles.
- d. Always run with a partner.
- e. Never accept a ride from a stranger. If you have problems on a run, send your partner back to camp and we will come for you.

II. Camp Rules and Precautions

- a. Keep aware of the camp schedule. Be to scheduled meetings, meals and runs on time.
- b. Boys stay out of girls cabin areas and girls stay out of boys cabin areas
- c. After lights-out time at night, all campers must remain in cabins unless using the restroom.
- d. There will be no public display of affection (or private display for that matter) between campers. There is ample time for proper socialization in camp activities.
- e. Littering is prohibited.
- f. No Swearing!
- g. Respect personal property of other runners in camp
- h. You may not leave camp without permission.
- i. There are to be no guests at camp during the week unless approved by staff.
- j. Bring a water bottle to camp with your name on it to drink out of.
