***Divisions** - For varsity high school races, two divisions will be used: large and small based upon school enrollment figures. If a school has 220 or less students in grades 9-11 for the given sex, they are considered small school. Schools with 221 or more are large schools. The large school race will be the more competitive race, but small schools may enter that division if they wish to compete in the more competitive race. Large schools may not choose to run the small school race, however.
