#911HEROESRUN

HONOR THE SERVICE & SACRIFICE OF OUR FIRST RESPONDER & MILITARY HEROES

The tragic events of September 11th, 2001, forever altered our nation and the lives of those who served and sacrificed on that day and in the wars that followed.

Each year, the 9/11 Heroes Run ensures we keep our promise to never forget. Events in 90 communities across the country bring together over 60,000 veterans, families of fallen heroes, and inspired civilians to remember and honor the sacrifices of that day. Participants of all ages and fitness levels and families unite to honor the brave Americans who stepped up when our country needed them - and help to ensure future generations understand the significance of their sacrifices.

All proceeds support Travis Manion Foundation's mission to empower veterans and families of the fallen to develop character in future generations. Join your community at an event near you.
